Investor Awareness Program Cum Career Guidance Webinar by NSE

Agenda:

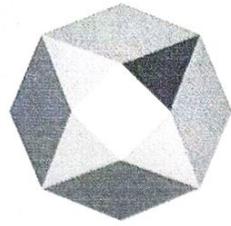

During this corona crisis, everybody has been affected in one way or the other, locked inside homes, limited in movement. But these past few months of inactivity has people reacting in different ways. Some have used to become physically fit, learn something new, become good chef, some took up painting or any other work from home vocation. For the rest, it has been more of crisis management at the most.

We on our part in association with Securities Exchange Board of India (SEBI) and National Stock Exchange (NSE) are trying to help all stuck at home or elsewhere by learning how to manage in this crisis the limited resources at hand. One of the most important resources in limited supply during this crisis has been money and its management has become crucial to survival. We are soliciting active participation from all interested in a national level webinar where we share information on how to manage money and understand cash flow; savings and investment; budget and crisis management.

This is an investor awareness program aimed at empowering from first to the last person on the street on how to manage money, first know where not to get stuck, like some Ponzi scheme, chit fund, network, chain marketing, etc. kind of companies and secondly if you already are then how and whom to approach and file complaints and get your issues resolved, in short, get your money back from any scam or whatever.

After getting to know where not to invest, the logical question is that people would want to know where to then invest. So the session would then open you to all the SEBI certified secure investment avenues. We would not just let the prospective participants know about how to invest your hard-earned money but also career in a dynamic field which is reaching new heights every day despite Corona Crisis in full flow.

It gives us immense pleasure to say that we got this opportunity to conduct this webinar at your college on 12th December 2020 from 05:00 PM to 06:00 PM.
