Dept name: Physics

Name of Activity: Lecture series on Chandrayaan 3

Description: The unveiling of the mysteries surrounding the lunar south was a captivating experience during India's Chandrayaan-3 mission. Students demonstrated remarkable enthusiasm as they attentively followed a comprehensive two-day lecture series. The event concluded with a lively discussion and a productive Q & A session. To gauge the effectiveness of the sessions, students were provided with a questionnaire to assess their understanding. This initiative not only showcased a keen interest in space exploration but also encouraged active engagement and learning among the students.

Dept name: Physics

Name of Activity: Demonstration of experiments related to Optics

Description: The Physics Department recently hosted an engaging session featuring live demonstrations of optics experiments. Using state-of-the-art equipment such as spectrometers and optical benches, students were immersed in hands-on learning experiences. The demonstrations showcased the principles of optics, allowing participants to explore phenomena like light refraction and dispersion firsthand. This interactive activity provided a practical and insightful supplement to the theoretical aspects of optical physics, fostering a deeper understanding among students.
