REPORT ON
WORKSHOP ON CUSTOMS ACT

Date: 20th February 2024 to 27th February

Time: 10:30 am- 12:00 am

Venue: Auditorium

Preceded by: Mr. Premkumar Nair / Ms. Anila Alakkal

Objectives of the workshop:

1. To familiarize students with the significance of Customs Act in international trade.
2. To provide practical knowledge and skills necessary for compliance with customs regulations.
3. To educate participants about the key provisions of the Customs Act.

Event Description:

Department of accounting and finance organized a workshop on Customs Act for the Third year Accounting and Finance students. The Notice regarding the same was issued on 12th February 2024. The workshop aimed to provide students with a comprehensive understanding of the Customs Act, which is crucial for those pursuing careers in international trade, law, and related fields.

The workshop featured several key sessions which extended for a period of 6 days. Following are the day wise details of the session.

Date	Speaker	Topic	No of Beneficiaries

Industry Oriented Workshop on Deep Dive in Fullstack MERN

Department of Computer science and Information technology jointly organises a workshop on Deep dive in FullStack MERN for students of TYBSC CS and TYBSC IT and MSC CS Part -I and Part-II on 20th and 21th February, 2024 at 11:00 am

Workshop Objective:

- Learners will be equipped with the knowledge and skills needed to design and develop modern web applications using the MEAN or MERN stack.
- Learners will be able to build and deploy end-to-end applications, from front-end user interfaces to back-end APIs and databases, by the end of this course.
- They will also gain a solid foundation in best practices for web development and industry-standard tools.

AGENDA OF WORKSHOP :-

Day 1: Introduction and Backend Development (MongoDB, Express.js, React js, Node.js)

Day 2: Frontend Development with React.

ONE DAY NATIONAL CONFERENCE – “Empowering Tomorrow’s Innovators: Navigating Entrepreneurship in the Modern Era”

Date: 10th February 2024

Time: 10:00 am onwards

Introduction:

One Day National Conference on "Empowering Tomorrow's Innovators: Navigating Entrepreneurship in the Modern Era." This dynamic conference serves as a gathering point for visionary minds, industry experts, aspiring entrepreneurs, and seasoned professionals alike, all converging to explore the evolving landscape of entrepreneurship in today's fast-paced world.

In an era marked by rapid technological advancements, shifting market dynamics, and unprecedented global challenges, the role of entrepreneurship has never been more crucial. This conference stands as a testament to our collective commitment to fostering innovation, creativity, and resilience among individuals poised to shape the future.

Throughout the day, participants will delve into a diverse array of topics, ranging from harnessing emerging technologies to navigating regulatory landscapes, from fostering a culture of innovation to leveraging digital platforms for business growth. With a focus on empowerment, education, and collaboration, this conference aims to equip attendees with the insights, tools, and connections necessary to thrive in the entrepreneurial ecosystem of tomorrow.

As we embark on this journey together, we invite you to engage in thought-provoking discussions, gain valuable perspectives from esteemed speakers and thought leaders, and forge meaningful connections with fellow innovators. Together, let us seize the opportunities that lie ahead, charting a course towards a future where entrepreneurship serves as a catalyst for positive change and sustainable growth.

Conclusion:

As we come to the close of the "Empowering Tomorrow's Innovators: Navigating Entrepreneurship in the Modern Era" conference, it's evident that we've embarked on a journey filled with profound discussions, invaluable insights, and a shared commitment to fostering entrepreneurship in the ever-evolving landscape of the modern era.

Throughout the conference, we've had the privilege of hearing from esteemed panelists, visionary entrepreneurs, and thought leaders who have generously shared their expertise and experiences. From exploring emerging trends in technology to discussing strategies for sustainable growth, challenges and opportunities of entrepreneurs, each presentation has provided a wealth of knowledge and inspiration for aspiring innovators.

Another key takeaway is the significance of leveraging technology as a catalyst for innovation and social impact. Whether it's harnessing the power of artificial intelligence, blockchain, or renewable energy, entrepreneurs have the opportunity to create meaningful change and address pressing global challenges.

As we reflect on the discussions and insights shared over the past days, let us carry forward the spirit of entrepreneurship and innovation. Let us continue to support and empower the next generation of innovators, equipping them with the tools, resources, and mentorship they need to thrive in the modern era.

Recommendations:

There was positive feedback from all the participants and presenters of the conference. They are looking forward for such a fruitful conference with new theme.

The panel were from different streams which incorporated interactive session with Q& A session during presentations. The topics focused on business planning, marketing, funding, and technology adoption.

Acknowledgments:

Formal vote of thanks was conveyed by Dr. Suman Satyaram.

In closing, sincere gratitude to our panelists, speakers, sponsors, and attendees for their contributions to making this conference a resounding success. May the connections forged and ideas exchanged here serve as the foundation for a brighter, more entrepreneurial future.

Thank you all for your participation, and let us continue to empower tomorrow's innovators as we navigate the exciting journey ahead.

Two-Day Online Workshop: "Research Horizon: Exploring Methodological Excellence"

Organized by: IQAC, K.V. Pendharkar College of Arts Commerce and Science

(Autonomous), Dombivli

Dates: December 15 & 16, 2023

Time: 11:00 AM - 2:30 PM

Mode: Online

Report:

The Internal Quality Assurance Cell (IQAC) of K.V. Pendharkar College of Arts Commerce and Science (Autonomous), Dombivli, successfully organized a two-day online event titled "Research Horizon exploring methodological excellence" on December 15 and 16, 2023. The event aimed to equip participants with essential research methodologies and skills.

Day 1:

- **Session 1: Fundamentals of Research by Professor Dr. Moushumi Dutta**
- This session provided a foundational understanding of the research process, covering elements like research question formulation, literature review, and research design.
- **Session 2: Research-Based Primary and Secondary Data by Dr. Shraddha Bhome**
- Dr. Bhome's session delved into the concepts of primary and secondary data collection methods, equipping participants with the skills to gather and utilize data effectively for their research projects.

Day 2:

- **Session 1: Data Analysis Using Statistical Software/Tools by Ms. Rajeshwari S.**
- Ms. Rajeshwari S. introduced participants to various statistical software programs and tools used for data analysis, providing insights into their functionalities and applications in research.
- **Session 2: Crafting Research Publications by Dr. Krishna Iyer**
- Dr. Iyer's session offered valuable guidance on the process of writing and preparing research publications for academic journals. It covered aspects like structure, style, and effective communication of research findings.

Overall, the event was a resounding success, attracting a significant number of participants eager to strengthen their research skills. The informative sessions by esteemed speakers provided valuable insights into various research methodologies and practical tools. The interactive online format fostered a stimulating learning environment, allowing participants to engage with the speakers and ask questions.

Organized by

Dombivli Shikshan Prasarak Mandal's

***K. V. Pendharkar College of Arts, Science and Commerce
(Autonomous)***

Reaccredited with 'A' Grade (3.14 CGPA) by NAAC (3rd Cycle 2017)

Fees: Registration and participation fees for 2 days – Rs. 200/- **Schedule:** 15th and 16th December

2023

Timings: Day 1- 11:00 AM To 2:30 PM

Day 2- 11:00AM TO 3:00 PM

Mode: Online

Program beneficiaries (Target group): Students currently pursuing Post Graduation , Ph. D and faculties of all subjects.

Number of participants: 100

Objectives: The purpose and rationale of this workshop is to inculcate research aptitude and develop research skills amongst students. The objective of this workshop is also to encourage students towards an interdisciplinary approach between different disciplines in pure and applied sciences. Moreover, the concepts learned in this workshop would also help these students to define research problem, developing an approach to research problem and selection of suitable research design. To comprehend appropriateness of statistical software packages for analyzing research data. To enable the participants to understand report writing and writing research proposals. To make aware the participants about latest trends in discipline specific research.

Schedule :

Day 1	11:00 – 11:15 AM	Welcome addressing
	11:15-12:45 PM	Session I- Fundamentals of Research
	1:00-2:30 PM	Session II- Research based primary and secondary data
Day 2	11:00- 12:30 PM	Session III- Data analysis using Statistical Software / Tools
	1:00-2:30 PM	Session IV- Crafting Research Publications

Relevance: The workshop will help students to ensure that research is conducted in a systematic and rigorous manner, ensuring that results are reliable and can be trusted. It provides researchers with a framework for designing, conducting, and analyzing research, making it easier to manage and organize their work.

One Day Workshop on Workplace Safety Training Programme Report

Date:- 30/01/2024

Topic: Workplace Safety Training Programme

Guest Speaker: Mr. Anant Saple

M.Sc in Environmental Science, Advance Diploma in Industrial Safety (MSBTE), NEBOSH,
IOSH, IEMA, Certified First aid Trainer

Date: 27th January, 2024 (Saturday)

Time: 11.00 am to 2.00 pm

Venue: Auditorium

Description: Department of Biotechnology had organized One Day Workshop on "*Workplace Safety Training Programme*"

Mr. Anant Saple was invited as a guest lecturer to address students of T.Y & S.Y classes (Biotechnology, Botany, Chemistry, Physics and Zoology) on Workplace Laboratory Safety Programme. At the onset, Ms. Sandeeptha Rathindran – In - Charge of Department of Biotechnology welcomed Mr. Anant Saple. Further detailed introduction of the speaker given by Ms. Seema Dalvi to the participants. In – Charge Principal Prof. Dr. K.R.Jagdeo and Vice Principal Dr. Suman Satyarum graced this occasion and encouraged students. Mr. Anant Saple delivered lecture on Standard Operating Procedures (SOPs), laboratory protocols and best practices and efficiency in laboratory operations. Adhering to SOPs minimizes errors, maintains quality standards, and promotes reproducibility of results, which are crucial in scientific research and analysis. Insights of safety measures such as wearing protective gear, handling hazardous substances, and emergency response procedures was explained. Also the workshop highlighted the importance of documenting procedures, observations, and results according to SOP guidelines. Organized data management facilitates data analysis, interpretation, and sharing within the scientific community.

Feedback Form

Name of the participant: Vanshika Yadav

Name of the department: Botany

Please respond to the following questions by placing a check mark (✓):

1. Fire needs these components to ignite EXCEPT
a) Fuel b) Oxygen c) Heat d) Matchstick
2. Which of the following are the aims of first aid:
a) To preserve life c) To prevent further harms
b) Promote recovery d) All of the above
3. Eye protection is required for which of the following hazards?
a) Flying particles c) Molten metal d) Liquid chemicals, acids or caustic liquid
b) Chemical gases or vapors e) All of the above
4. What does the acronym MSDS stand for?
a) Massive Safety Data Sheet c) Material Security Data Sheet
 b) Material Safety Data Sheet d) Massive Security Data Sheet
5. These are types of fire extinguisher EXCEPT:
 a) Water type b) Foam type c) Solid type d) Dry chemical powder

	Excellent	Very Good	Good
Theme of the workshop	<input checked="" type="checkbox"/>		

What did you find best about this workshop?

I found this workshop very interactive.

In which topic would you like to have seminar/workshop in the future?

Environment conservation

Thank you for participating. We appreciate your feedback!!

Department of Biotechnology

Feedback Form

Name of the participant: Sapna Raj Tadhar

Name of the department: S.Y. B.Sc. (Physics, Math)

Please respond to the following questions by placing a check mark (✓):

1. Fire needs these components to ignite EXCEPT

- a) Fuel b) Oxygen c) Heat d) Matchstick

2. Which of the following are the aims of first aid:

- a) To preserve life c) To prevent further harms
b) Promote recovery d) All of the above

3. Eye protection is required for which of the following hazards?

- a) Flying particles c) Molten metal d) Liquid chemicals, acids or caustic liquids
b) Chemical gases or vapors e) All of the above

4. What does the acronym MSDS stand for?

- a) Massive Safety Data Sheet c) Material Security Data Sheet
 b) Material Safety Data Sheet d) Massive Security Data Sheet

5. These are types of fire extinguisher EXCEPT:

- a) Water type b) Foam type c) Solid type d) Dry chemical powder

	Excellent	Very Good	Good
Theme of the workshop	✓		

What did you find best about this workshop?

Confidence and information related safety was really useful.

Which topic would you like to have seminar/workshop in the future?

Different first aid kits and environmental disaster prevention.

Thank you for participating. We appreciate your feedback!!
