BEST PERFORMING DEPARTMENT FOR THE YEAR 2021-22

Promoting Excellence through Motivation

Performance of any educational institution as a whole depends upon the performance of all the departments of the institution, considering this since 2020-21 the IQAC of the college has come up with the practice of honouring the high performing department with the award of "Best performing department of the year"

Award is given on the basis of performance of the department throughout the year. To evaluate the performance of the departments, IQAC has designed a structured mechanism, which is 100% objective in nature and does not provide any scope for favouritism.

Based on the departmental reports for the academic year 2021-22 submitted by all the departments to the IQAC in the month of August, 2022, the assessment of the departments was carried. 03 assessors were appointed by the IQAC to evaluate the performance of the departments. Performance of the departments was evaluated on 23 parameters for 100 marks. Based on the marks obtained by the departments ranks have been assigned to the departments. Following is the result of the exercise:
